Thousands of founders have built here – *now it's your turn*. Find your perfect program to fit your needs and support your growth in STATION F's unique ecosystem.

ALL PROGRAMS IN-HOUSE PROGRAMS RESOURCES

All the services and resources entrepreneurs need, so that they can focus on what's most important: building their business.

Unparalleled international business contacts

One of the most international communities in Europe

STATION F boasts a community of 70 different nationalities spanning all continents. If you are trying to build an international business, this is the place to do it.

Access to literally anyone

We receive tons of delegations and visitors from around the world, which provides a lot of unique opportunities. If there is someone you want to meet – whether it be CEO of a company or Prime Minister of a specific country – you'll increase your chances by being on campus.

Funding with top-tier investors

This is one of the first places investors stop when they want to invest in early-stage innovation. We have a massive investor community, with investors from around the world. If there is someone you want on your cap table, we can help make it happen.

Too many leading brands, organizations & events

Our campus has one of the highest densities of leading brands and organizations per square meter. And many others come by for meetings, events and more. If there is an organization you want to work with, you'll likely find them on campus or in our network.

Be surrounded by leading startups & companies

1,000 cutting edge companies as neighbors

Be at the center of innovation, build your company in one of the most creative places. You'll have access to all the latest technologies and ideas as they develop – regardless of industry.

Many repeat and international founders

A great place to learn and expand, without ever leaving campus. Over 50% of our founders have launched a business before. And over 70 nationalities are present on campus.

Join the ranks of Hugging Face, Alan and more

Many leaders have already built their businesses here! Give yourself a chance to level up.

Additional advantages for top performers

Qualify for the Future 40, our group of leading startups, and get access to the best we have to offer. Includes additional investment opportunities, media & visibility, access to our top-level visitors and much more.

One-of-a-kind work and living space

Not just any old desk

Our emblematic building is based in Central Paris, and it happens to be a historical monument. Our workspaces are fully equipped and

Flexible & communal housing

Paris is no easy feat when it comes to finding housing – and it's often more of a challenge for entrepreneurs. But we got you

designed for flexibility and collaboration. Doesn't get more iconic than this.

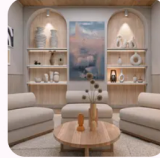

covered. If you are looking for flexible housing, we have shared apartments with all the amenities included.

Vibrant event space

We host tons of leading events of all formats - conferences, yes, but also fashion shows, stand-up comedy shows, concerts and more. We have numerous event spaces and work with a wide variety of service providers. We can host pretty much whatever you want.

Yoga studio, podcast studio and more

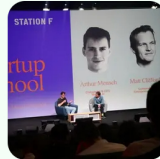

We recently launched District F, an extension of our main campus building featuring additional facilities. Now our residents have access to an on-campus podcast studio, yoga studio, bike repairs and more.

Services you won't find anywhere else

The most leading brands per square meter

Where else in the world can you find Google, AWS, Apple, Meta, LVMH, Microsoft, Snowflake, HEC, INSEAD, CentraleSupélec, PSG, Huawei and many other top brands under one roof? Honestly, this is the highest concentration of top brands per square meter that you'll ever see. They're here to serve, right where you are.

Leading Programs in AI, Climate, Quantum and more

Many of our programs are unique within the French & European ecosystem - sometimes even in the world. We have startup studios that are building the future deeptech and climate tech companies, AI programs with the top AI brands, one of the only quantum computing programs in Europe, and more!

Governmental services, right on campus

Need a visa for a foreign employee? Or want to score public funding? We have La French Tech staff based at STATION F to help you navigate the many government services that you may need to get in touch with.

Founder-recommended tools & perks

We know the tools and offers founders WANT and NEED. So we amassed a database of exclusive offers to save you time and money. Everything is founder-recommended and you can trust that we've got the best-possible offer that exists.
